A. Program Description

1. Purpose

This notice solicits applications for the Preservation and Access Education and Training program.

This program supports projects that develop and implement educational programs for professionals who preserve and provide access to humanities collections. Such materials include but are not limited to paper-based, photographic, archaeological, ethnographic, artistic, audiovisual, digitized, and born-digital collections. Advancing long-term access to these materials for scholars, students, and the public requires skilled professionals from varied backgrounds and communities working in organizations large and small.

NEH makes awards in this program to organizations that offer national, regional, or statewide education and training programs for current or emerging professionals. Programs may be at any stage, from early curriculum development to advanced implementation, and projects may include partnerships with academic or non-academic institutions.

Project activities must support one or more of the following programmatic areas:

- **field services, networks, or consortia** that offer training and educational resources and services to professionals
- **continuing education opportunities** that provide professionals with extended or specialized training in new or current preservation and access topics
- **student and early career programs** focused on building skills in preservation and access for cultural heritage collections. Programs may occur at either academic or non-academic institutions

Topics and programs must be associated with the work of preserving and providing access to humanities collections, and topics may be introductory or advanced.

Preservation and Access Education and Training applicants are encouraged to address one or more of the following areas of special interest:

- **Audiovisual and Digital Heritage:** Activities that teach skills meant to address the preservation or access challenges faced by materials at risk of obsolescence.
- **Community Resilience:** Activities that enhance the abilities of communities to collect, protect, and share their heritage in the face of existential threats such as climate change.
- **Emergency Preparedness:** Activities that prepare professionals—particularly in areas of the U.S. and its jurisdictions at high risk for sea level rise, extreme weather, flooding, wildfires, or other natural disaster—to mitigate potential hazards and respond to and recover from disasters.
- **Emerging Practices:** Activities that teach new or recently updated preservation or access-related standards, methodologies, tools and equipment, or workflows.
- **Environmental Sustainability:** Activities that teach techniques that limit collections stewards' impact on the environment.
- **Smaller Organizations:** Activities that equip staff from smaller libraries, museums, archives, and historical and cultural organizations with the fundamental skills needed to protect and provide access to their collections.

- **Stewarding Collections by and with Under-represented Communities:** Activities that reach, encourage, or prioritize participation from communities under-represented in the preservation and access field, as well as activities that teach culturally appropriate, equitable, inclusive, and community-engaged practices for underserved collections.

Program Outcomes and Outputs

The outputs of a successful Preservation and Access Education and Training award may include, but are not limited to:

- **Curricula, either new or revised**, for academic or non-academic programs.
- **Educational opportunities designed as placements or hired positions** such as residencies, apprenticeships, internships, and mentorships. Hired positions must use fair hiring practices and ensure that compensation and benefits are appropriate and mindful of the cost-of-living in the location where the position is offered.
- **Educational programs, series, and sessions** such as webinars, workshops, seminars, classes, speaker series, and other online and in-person trainings.
- **Field services** such as assessments, consultations, or on-demand assistance.
- **Financial support for students and participants,** including stipends and travel costs but not tuition remission. You may discount or waive fees for continuing education, field services, networks, or consortia programs.
- **Networks and consortia,** which provide opportunities for sharing knowledge and resources.
- **Open educational resources** such as handbooks, websites, leaflets, and other publications shared with the field.

You will describe your project outcomes and outputs, and how they would support the overall purpose of the Preservation and Access Education and Training program, in Attachment 1: Narrative.

See D6. Funding Restrictions for unallowable activities.

See E1. Review Criteria for the standards NEH will use to evaluate applications under this notice.

2. Background

NEH offers this funding opportunity under the authority of 20 U.S.C. § 956. Awards are subject to 2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and the General Terms and Conditions for Awards to Organizations (for grants and cooperative agreements issued January 1, 2022 or later).

Under Section 3(a) of the National Foundation on the Arts and the Humanities Act of 1965, as amended, "The term 'humanities' includes, but is not limited to, the study of the following: language, both modern and classical; linguistics; literature; history; jurisprudence; philosophy; archaeology; comparative religion; ethics; the history, criticism and theory of the arts; those aspects of the social sciences which have humanistic content and employ humanistic methods; and the study and application of the humanities to the human environment with particular attention to reflecting our diverse heritage, traditions, and history and to the relevance of the humanities to the current conditions of national life."

NEH Areas of Interest

NEH is especially interested in supporting projects that advance humanities-related work in the following areas. NEH will give all applications equal consideration in accordance with the program's [review criteria](#).

NEH encourages projects that include Native American organizations and communities as applicants and project partners.

American Tapestry: Weaving Together Past, Present, and Future

[American Tapestry: Weaving Together Past, Present, and Future](#) is a wide-ranging special initiative at NEH that leverages the humanities to tackle some of the most pressing challenges of our time: strengthening our democracy, advancing equity for all, and addressing our changing climate. The initiative encourages humanities projects that elevate the role of civics in schools and public programs, advance knowledge of the country's history and political institutions, and examine threats to its democratic principles. The initiative also encourages projects that explore the untold stories of historically underrepresented groups and build capacity at cultural and educational institutions to benefit underserved communities. Finally, the initiative welcomes projects that promote research into the historical roots and cultural effects of climate change and support the cultural and educational sectors in building climate resilience. By supporting humanities projects that align with these three themes – strengthening our democracy, advancing equity for all, and addressing our changing climate – the *American Tapestry* initiative seeks to tell our country's history in all its complexity and diversity.

B. Federal Award Information

1. Type of Application and Award

NEH seeks new applications in response to this notice.

NEH will provide funding in the form of grants.

2. Summary of Funding

Award amounts

You may request up to $350,000 for this award.

If your program grants graduate degrees in art conservation, you may request a maximum of $250,000 in outright funds. You may request an additional $100,000 in matching funds for a total award of $350,000 and a total project cost of $450,000. See [C2. Cost Sharing to learn more about federal matching funds](#).

NEH anticipates awarding approximately $2,700,000 among an estimated 9 recipients.

NEH will not determine the amount available until Congress makes appropriations for FY 2025. NEH will issue awards subject to the availability of appropriated funds. NEH is publishing this notice as a contingency to ensure that NEH can process applications and issue awards in a timely manner, should sufficient funds become available.

Period of performance

You may request a period of performance of up to three years. If your program grants graduate degrees in art conservation, you may request a period of performance of three to five years.

Your period of performance must start between March 1, 2025, and September 1, 2025.

The period of performance is the time during which you may incur expenses to carry out the work under the award. It must start on the first day of the month and end on the last day of a month.

Project/Program	Outright Funds	Federal Matching Funds	Total NEH Award	Total Project Costs	Period of Performance
Graduate degrees in art conservation	Up to $250,000	Up to $100,000	Up to $350,000	$450,000	3 to 5 years
All other projects/programs	Up to $350,000	Optional	Up to $350,000	$350,000	Up to 3 years

C. Eligibility Information

1. Eligible Applicants

To be eligible to apply, your organization must be established in the United States or its jurisdictions as one of the following:

- a nonprofit organization recognized as tax-exempt under section 501(c)(3) of the Internal Revenue Code
- an accredited institution of higher education (public or nonprofit)
- a state or local government or one of their agencies
- a federally recognized Native American Tribal government

Individuals and other organizations, including foreign and for-profit entities, are ineligible.

If your organization is eligible, you may apply on behalf of a consortium of collaborating organizations. If NEH selects your proposal for funding, you will be programmatically, legally, and fiscally responsible for the award.

The recipient may not function solely as a fiscal agent but should make substantive contributions to the success of the project.

2. Cost Sharing

Cost sharing refers to project costs that are covered with non-NEH funds. NEH distinguishes between two types of cost sharing: voluntary cost sharing and federal matching funds.

NEH does not require cost sharing in this program unless you request federal matching funds.

Voluntary cost sharing

You may contribute voluntary cost share if the total project costs exceed the amount awarded by NEH. Voluntary cost share includes:

- cash contributions made to the project by you or a third party
- your unrecovered indirect costs
- in-kind contributions (non-cash contributions, such as property or services, that benefit the project and are contributed without charge) by you or a third party

While you may describe voluntary cost share in your budget justification, you should not include it on your Research and Related Budget. The Research and Related Budget should only include funds you are requesting from NEH.

Peer reviewers will not consider any voluntary cost share in their evaluation of applications.

Federal matching funds

If your program grants graduate degrees in art conservation, you may request up to $100,000 in federal matching funds to leverage third party funding. Funds to satisfy a matching requirement must be from sources outside of the applicant institution (a third party) consistent with the NEH Federal Matching Funds Guidelines. If you request federal matching funds, you must raise third-party non-federal gifts dollar-for-dollar.

Include third-party non-federal gifts on your [Research and Related Budget](#) and identify what project activities they will support in the budget justification.

Successful applicants will receive an offer of federal matching funds, subject to specific regulatory and other conditions. NEH will certify the allowability of these gifts and will issue the award only when you have met the conditions of the offer. The full amount of federal matching funds may not be available for release in the first year of a multi-year period of performance. Typically, NEH distributes federal matching funds on an annual basis over the period of performance.

If NEH selects your project for funding, you must raise and certify all eligible gifts and pledges by one year prior to the end of the period of performance. NEH advises applicants who are requesting matching funds to consider a period of performance that allows adequate time to raise and certify funds. If you fail to certify required gifts by the deadline, NEH may reduce or terminate your award. See [NEH Federal Matching Funds Guidelines](#).

NEH will not release federal matching funds until you raise and certify eligible gifts. **In-kind gifts and funds derived from the recipient organization are not eligible sources of certified gifts in this program.**

You must maintain auditable records of the source and use of cost share. See [2 CFR § 200.306](#).

Learn about [types of funds NEH offers](#).

3. Other Eligibility Information

You may submit multiple applications for separate and distinct projects under this notice.

You may revise and resubmit previously rejected applications. Submissions are subject to the application requirements and review criteria of the current competition.

Per 2 CFR § 200.403(f), you must not include the same project costs in more than one application for federal funding or approved federal award budget. If one application to NEH is pending, a second application for the same project costs, even if to a different program, may be ruled ineligible. However, you may submit multiple proposals for **complementary** aspects of the same overall project. If you are submitting complementary proposals to other NEH programs or government agencies, specify when and to whom in the Supplementary Cover Sheet for NEH Grant Programs. NEH may disallow costs or reject applications that include overlapping project costs. An individual's level of effort cannot exceed 100% across multiple active federally funded awards.

NEH does not issue awards to other federal entities. If your project is so closely intertwined with a federal entity that the project takes on characteristics of the federal entity's own authorized activities, it is ineligible. You may use funds from, or sites and materials controlled by, other federal entities in your project, but you may not use them as gifts to release federal matching funds.

NEH does not provide financial assistance to foreign institutions or organizations. If you are an eligible domestic entity, you may apply for collaborative projects involving foreign organizations provided you do not use NEH funds for the purpose of issuing subawards to any foreign organization, as defined in 2 CFR §§ 200.1 and .331(a). You may obtain the services of foreign individuals and consultants to carry out programmatic activities on a fee-for-service basis, as specified in 2 CFR § 200.459. You may obtain goods and services from foreign vendors, such as in-country transportation services, in accordance with 2 CFR § 200.331(b). If you plan to submit an application involving international collaboration, contact program staff at preservation@neh.gov.

Except for the rare cases covered by its late submission policy, NEH will not consider applications submitted after the deadline.

NEH will not consider incomplete, nonresponsive, or ineligible applications for funding.

NEH will not consider applications that exceed mandatory page limits or deviate from formatting instructions. See the Application Components Table.

Application Components: Attachments

Each attachment must be a single PDF file. See the Attachments Form instructions for further guidance about file requirements. Read those instructions carefully, as Grants.gov will not accept files that do not meet the requirements.

Attachment 1: Narrative

Compose a comprehensive description of your proposed project. Your narrative should be succinct, well organized, and free of technical terms and jargon so that peer reviewers can understand the proposed project.

You must limit the narrative to **twelve single spaced** pages. Do not include an executive summary, cover page, or a table of contents. You may include images, charts, diagrams, footnotes, and endnotes if they fit within the page limit.

Organize your narrative using the following headings. Each section aligns with one or more review criteria NEH will use to evaluate your proposal.

A. Project impact and the significance of the humanities collections to be served (aligns with review criterion 1)

Discuss how the proposed project will enhance practitioners' abilities to preserve or improve access to humanities collections. Describe how each activity of your project will address specific national, regional, or statewide needs. Describe the significance of the humanities collections that will benefit. Identify the kinds of institutions and communities that will benefit from the proposed activities and estimate how many practitioners would benefit. Explain how this project relates to others of a similar nature, past or present, and clarify the extent to which it builds on past work or breaks new ground.

B. Methodology and work plan (aligns with review criteria 2 and 6)

Describe the educational activities or outputs that the project would support, including their content, structure, duration, and location. Discuss the pedagogical method(s) you plan to employ. Explain how your program uses or improves upon accepted professional training and educational approaches. Explain why the educational activities or outputs of your project are appropriate for your audience.

If your project includes partner organizations, describe their involvement, and demonstrate their commitment.

Detail any participant fees, as well as any financial support offered to participants. For hired positions designed as educational opportunities, describe how the salary and benefits package is appropriate and mindful of local cost of living in the region that the positions are offered.

Briefly describe your work plan for each proposed educational activity. You will include a detailed work plan in Attachment 4.

You may provide detailed outlines of curricula and examples of training materials in Attachment 8: Additional supporting documentation.

C. Participant recruitment and outreach (aligns with review criterion 3)

Describe how you will select participants or students for educational activities supported under your project. Discuss the outreach you would conduct to attract new participants and how your recruitment strategy addresses needs in the field. Explain the selection criteria you would apply to ensure that participation in your project matches the needs you have identified. If you plan to recruit from minoritized or traditionally underserved communities, address how you would customize your outreach strategies.

D. Evaluation (aligns with [review criterion 4](#))

Discuss how you and participants will evaluate project activities. Describe how the evaluation will measure the longer-term impacts of training on collection care and access and the professional expertise of participants. You may include detailed descriptions of assessment strategies, including sample survey instruments or other tools in [Attachment 8: Additional supporting documentation](#). If your project has previously received NEH support, describe how you have evaluated your experiences from the previous award to inform your project. NEH encourages thorough assessment strategies that seek to measure the outcomes of education and training efforts on preservation and access practices.

E. Staff, faculty, and consultants (aligns with [review criteria 5](#) and [6](#))

Provide a short biography for each person responsible for creating and conducting the programs, courses, symposia, workshops, or events (one paragraph is adequate). Include names, relevant professional expertise, and a brief description of responsibilities for this project.

You must limit the narrative to **twelve single spaced** pages. Name the file narrative.pdf.

Narrative Alignment	
Each section of the narrative aligns with corresponding review criteria. Use the crosswalk to ensure you address all criteria.	
Narrative Section	**Review Criteria**
A. Project impact and the significance of the humanities collections to be served	1
B. Methodology and work plan	2 and 6
C. Participant recruitment and outreach	3
D. Evaluation	4
E. Staff, faculty, and consultants	5 and 6

Attachment 2: List of project personnel (required)

List in alphabetical order, surnames first, all project personnel and collaborators and their institutional affiliations. This list should include advisory board members and authors of letters of support, if applicable.

Name the file personnel.pdf.

Attachment 3: Résumés (required)

Include résumés for persons occupying the key positions described in the budget.

This attachment has a suggested page limit of two pages per résumé. Merge all materials into a single document and name the file resumes.pdf.

Attachment 4: Work plan (required)

Your work plan should reflect major activities described in your narrative and the project dates identified on the [SF-424 Application for Federal Assistance - Short Organizational](#) and the [Research and Related Budget](#).

Describe the activities or steps that you will use during the period of performance to achieve each proposed objective. Use a timeline that includes each activity and identifies responsible staff. Explain how outcomes from one activity will carry over into the next. For multi-institutional collaborative projects, discuss the distribution of responsibilities across each institution. As appropriate, identify meaningful support and collaboration with key stakeholders in planning, designing, and implementing all activities.

Name the file workplan.pdf.

Attachment 5: Letters of commitment and job descriptions (recommended)

If your project involves partners, service providers, or staff you have identified but not yet hired, you are strongly encouraged to provide letters of commitment outlining the scope of work and anticipated costs. If you are hiring additional staff to work on the project who you have not yet identified, include a job description.

Name the file commitment.pdf.

Attachment 6: Letters of support (recommended)

You may include letters of support that address the project's significance and the program's review criteria, written by experts in the project's subject area. Authors of letters of support will not participate in the NEH review process.

Elected government officials, NEH staff, and current members of the National Council on the Humanities may not serve as authors of letters of support.

Name the file support.pdf.

Attachment 7: History of third-party support (recommended)

If the project has received third-party support from any federal or nonfederal sources, including NEH, list on one page the sources, dates, and amounts of these awards. If the project has a long history of support, the sources and contributions may be grouped and summarized.

Name the file history.pdf.

Attachment 8: Additional supporting documentation (recommended)

Include other relevant material to support your application.

You may provide documents such as:

- course syllabi or outlines
- a profile or brief history of the applicant organization
- detailed descriptions of evaluation strategies and samples of assessment tools
- sample application forms for continuing education training or workshop participants
- relevant excerpts from strategic planning documents
- a list of the expected knowledge, skills, and abilities required for a prospective one-year postgraduate fellow and the selection criteria for choosing the fellow

This attachment has a suggested limit of 40 pages. Merge all materials into a single document and name the file documentation.pdf.

Attachment 9: Subrecipient budget(s) (conditionally required)

If your project includes subawards, you must provide a separate Research and Related Budget and budget justification for each subrecipient.

Download a [fillable PDF of the Research and Related Budget form](#) from the NEH website for each subrecipient. You must open and complete this form in Adobe Reader 8.0 or higher rather than in your web browser.

Prepare a budget and budget justification for each subrecipient using the [same instructions](#) in this notice, with a few exceptions:

- Enter the subrecipient's Unique Entity Identifier, organization name, and period of performance start and end date (these fields will not prepopulate).
- For "budget type," check "Subaward/Consortium."

If your subrecipients have a federally negotiated indirect cost rate, you must honor it. If they do not have a federally negotiated indirect cost rate, they may negotiate a rate with you consistent with [2 CFR § 200.414](#) or use the de minimis rate.

Rather than attaching related documents (budget justification, additional personnel, additional equipment) to the form itself, you will separately convert each document into a PDF and combine all subrecipients' budget forms and related documents into a single document. Do not attach portfolios containing multiple PDFs.

NEH cannot accept security-enhanced PDFs (e.g., XFA files, PDFs that include password-protection, encryption, digital signatures). Remove these features (or "flatten" these files) before merging them into a single PDF and uploading it to the [Attachments Form](#).

Name the file subrecipient.pdf.

Attachment 10: Federally negotiated indirect cost rate agreement (conditionally required)

If your organization is claiming indirect costs and has a current federally negotiated indirect cost rate agreement, provide a copy of the agreement. If applicable, provide the indirect cost rate agreements for subrecipients claiming indirect costs. If you and your subrecipients are requesting the de minimis rate, you do not need to submit this attachment.

Name the file agreement.pdf.

Attachment 11: Explanation of delinquent federal debt (conditionally required)

If your organization is delinquent in the repayment of any federal debt, explain why. Provide evidence that you have entered into a repayment agreement with the Internal Revenue Service, if applicable, and that you are current on all payments due. Examples of relevant debt include delinquent payroll or other taxes, audit disallowances, and benefit overpayments. See [OMB Circular A-129](#).

Name the file delinquentdebt.pdf.

Application Components: Grants.gov Forms

SF-424 Application for Federal Assistance – Short Organizational (Grants.gov form)

This form requests basic information about your institution, the proposed project, and key contacts. Items 1, 2, and 4 will be automatically filled in; leave item 3 blank.

5. Applicant Information

a-d. Provide your organization's legal name, address, and web address. Select the applicant type that best describes your organization from the drop-down menu.

e-f. Provide your organization's employer/taxpayer identification number (EIN/TIN), and Unique Entity Identifier assigned by the System for Award Management. If you do not know your identifier, contact your grant administrator or chief financial officer. See D3. Unique Entity Identifier and System for Award Management.

g. Provide your congressional district with your two-character state abbreviation followed by your three-character district number. For example, if your institution is located in the 5th congressional district of Alabama, enter "AL-005." If your institution is in a state or U.S. jurisdiction that does not have districts, enter "000" in place of the district number. If your institution is outside the U.S., enter "00-000."

6. Project Information

a. Provide your project's title. It should be brief (no more than 125 characters, including spaces), descriptive of the project, and easily understood by the general public. If NEH funds your project, the agency may retitle your project for clarity in internal and external communications, including the public announcement of awards. Regardless, you may use your preferred title when carrying out the project.

b. Provide a brief description of your project (no more than 1,000 characters, including spaces). You should write the description for a nonspecialist audience, clearly stating the importance of the proposed work and its relation to larger issues in the humanities. This description will appear on the cover sheet of your application and will serve as a project abstract during the review process. If funded, this description will also appear in NEH's database of funded projects.

c. State your project's period of performance start and end dates. Your project must start on the first day of a month and end on the last day of a month. See B2. Summary of Funding for allowable periods of performance.

7. Project Director

Provide the project director's name, title, and contact information. The project director is responsible for the programmatic aspects and day-to-day management of the proposed project. You must notify the NEH Office of Grant Management immediately if you need to change project directors.

If the project director is not employed by the applicant organization, you must have a formal written agreement with the project director that specifies an official relationship between the parties even if the relationship does not involve a salary or other form of remuneration.

8. Primary Contact/Grant Administrator

Provide the name, title, and contact information for the official responsible for the administration of the award (e.g., negotiating the budget and ensuring compliance with the terms and conditions of the award).

As a matter of NEH policy, the project director and primary contact/grant administrator must not be the same person.

The grant administrator (also called the "institutional grant administrator") functions as the representative of the recipient organization. This individual should have authority to act on the organization's behalf in matters related to the administration of the award. The institutional grant administrator must sign or countersign financial reports and prior approval requests such as budget revisions, extensions to the period of performance, and changes in key personnel.

NEH will address official correspondence (for example, the offer letter or Notice of Action) to the institutional grant administrator and copy the project director.

9. Authorized Representative

Provide the name, title, and contact information for the authorized organization representative (AOR) who is submitting the application on behalf of the institution. This person, often called an "authorizing official," is typically someone from the Office of Sponsored Projects, or the institution's president, vice president, executive director, or board chair. The institution's Grants.gov E-Business Point of Contact must designate the AOR. The AOR's signature must match the contact's name. See the [Grants.gov Online User Guide](#).

Supplementary Cover Sheet for NEH Grant Programs (Grants.gov form)

1. Project Director
Select the project director's major field of study from the drop-down menu.

2. Institutional Information
Select your institution type from the drop-down menu.

3. Project Funding

- Under "Outright Funds," enter the amount of outright funds you are requesting.
- Under "Federal Match," enter the amount of federal matching funds you are requesting.
- Under "Cost Sharing," enter the required cost share you will provide to release the federal matching funds (dollar-for-dollar). Do not include voluntary cost share.

Learn more about the [types of funding NEH offers](#).

4. Application Information
Indicate whether you or others will submit complementary proposals to other NEH programs, government agencies, or private entities. If so, specify when and to whom. NEH will not consider this information when evaluating the merits of your proposal. See [C3. Other Eligibility Information](#) for restrictions regarding overlapping costs.

For type of application, check "new."

Select the project's primary discipline from the drop-down menu. If applicable, select the project's secondary and tertiary disciplines.

Project/Performance Site Location(s) Form (Grants.gov form)

Provide the primary location and any other locations where you will conduct project activities during the period of performance.

Enter [congressional districts](#) using the two-letter state abbreviation followed by your three-character district number. For example, if your institution is in the 5th congressional district of Alabama, enter "AL-005." If your institution is in a state or U.S. jurisdiction that does not have districts, enter "000" in place of the district number. If your institution is outside the U.S., enter "00-000."

The form has space for 300 sites. If your project includes additional locations, list them in a separate document. Save the document as a PDF named additionallocations.pdf and attach it under "Additional Locations."

Research and Related Budget (Grants.gov form)

You must submit a project budget using the Research and Related Budget form included in the Grants.gov application package and attach a [budget justification](#). Complete the [SF-424 Application for Federal Assistance - Short Organizational form](#) prior to completing your Research and Related Budget.

Complete a separate detailed budget for each 12-month span of the period of performance. The form will generate a cumulative budget.

The form indicates required fields in yellow. Round all costs to the nearest whole dollar. The inclusion of a cost category on the Research and Related Budget form does not automatically indicate that an expense is allowable in this program. See [D6. Funding Restrictions](#) to ensure that proposed costs are allowable.

If you only request outright funds, your budget should include only the funding you are requesting from NEH. If you request federal matching funds, your budget must equal the total funding requested from NEH (outright and federal matching funds) and the one-to-one required third party cost share for the federal matching funds. Refer to the [NEH Federal Matching Funds Guidelines](#) regarding the allowability of gifts for matching purposes.

The total federal matching funds and cost share should equal the amounts indicated on the [Supplementary Cover Sheet for NEH Grant Programs](#) in the "Federal Matching" and "Cost Sharing" fields. Learn about [types of funds NEH offers](#).

If you provide voluntary cost share, do not include it on the Research and Related Budget form. You may describe it in your [budget justification](#).

All costs, whether supported by NEH funds or required cost sharing contributions (if applicable), must be reasonable, necessary to accomplish project objectives, allowable in terms of [2 CFR 200 Subpart E - Cost Principles](#), auditable, and incurred during the period of performance. Costs are subject to audit, record retention, and other requirements set forth in [2 CFR 200 Subpart F - Audit Requirements](#).

You should only include your own employees under A. Senior/Key Person and B. Other Personnel. Include team members in leadership roles in the project under A. Senior/Key Person. Include other team members under B. Other Personnel. Include costs for non-employees under F3. Consultant Services or F5. Subawards/Consortium/Contractual Costs, as appropriate.

If you charge indirect costs to the project, you must not charge the same costs to the project as direct costs. See H. Indirect Costs.

Introductory Fields

Your SF-424 Application for Federal Assistance - Short Organizational form should pre-populate introductory fields. If not pre-populated, indicate your organization's Unique Entity Identifier, name, and the period of performance. This should match the information you provide on your SF-424 Application for Federal Assistance - Short Organizational. Your period of performance must start on the first day of the month and end on the last day of the month. For budget type, check "project."

A. Senior/Key Person

Include personnel who are employed by the applicant institution in leadership roles on the project. Do not include collaborators at other institutions or consultants, as you will include them in F. Other Direct Costs.

Enter the base salary (annual compensation) for each senior/key person and identify the number of months they will devote to the project. If you do not include base salaries, your award may be delayed.

Many non-academic institutions organize their budgets using calendar months. If your organization does not differentiate between academic and summer months, use only the calendar months column.

If your organization follows an academic calendar, you may differentiate levels of effort by using the academic and summer months columns. You may use both columns if your institutional policy requires separate accounting for academic and summer months. If your institution does not use a nine-month academic year and a three-month summer period, include your institution's definition of these terms in your budget justification.

Enter the requested salary and fringe benefits for each senior/key person. Per 2 CFR § 200.431, fringe benefits are allowances and services you provide in addition to salaries and wages. Fringe benefits may include the costs of leave (e.g., vacation, family-related, sick, or military), employee insurance, pensions, and unemployment benefit plans.

Requested salaries and wages must comply with 2 CFR §§ 200.430 and .466 and fringe benefits must comply with 2 CFR § 200.431.

The form will calculate the requested salary and fringe benefits for each key person.

The form has space for up to eight people. If you request funds for additional key personnel, list them in a separate document using the same format as the Research and Related Budget. Save the document as a PDF named additionalpersonnel.pdf and attach it under "Additional/Senior Key Persons." If applicable, enter the total funds requested for additional senior/key persons in the "Total Funds requested for all Senior/Key Persons in the attached file" field.

B. Other Personnel

Include personnel employed by the applicant institution who will play a supporting role on the project. For each project role, identify the number of personnel proposed, the total number of months, total salary, and total fringe benefits requested as described in A. Senior/Key Person. The form will calculate the requested salary and fringe benefits for each group.

Post-doctoral associates, graduate students, and undergraduate students

For all post-doctoral associates, graduate students, and undergraduate students, individually list names, roles, associated months, and requested salary and fringe benefits in L. Budget Justification.

As a matter of programmatic policy, tuition remission is not allowed in this program.

Administrative/Clerical

In most circumstances, you should include the salaries of administrative, secretarial, or clerical staff as indirect costs (see H. Indirect Costs). Per 2 CFR § 200.413(c), you may charge salaries for administrative or clerical staff as direct costs only if they meet the following conditions:

- The administrative or clerical services are integral to a project or activity.
- The individuals can be specifically identified with the project or activity.
- You explicitly include these costs in your budget or have prior written approval from NEH.
- You do not recover the costs as indirect costs.

If you include administrative or clerical salaries in your budget as direct costs, describe how direct charging meets all four conditions in your budget justification. NEH may request additional information to assess if proposed costs are allowable.

Additional Other Personnel

List additional project roles, if applicable. The form has space for six named roles. If you have more, combine project roles on the form and explain in your budget justification.

Requested salaries and wages must comply with 2 CFR §§ 200.430 and .466 and fringe benefits must comply with 2 CFR § 200.431.

Do not list collaborators at other institutions or consultants here, as you will include them in F. Other Direct Costs.

C. Equipment Description

Equipment is nonexpendable personal property costing $5,000 or more per item and having a service life of more than one year (unless your organization has established a lower level). See 2 CFR §§ 200.313 and .439.

You may purchase equipment if analysis demonstrates that it is more economical and practical than leasing You may charge depreciation in compliance with 2 CFR § 200.436. If you lease equipment, include equipment rental/user fees in F. Other Direct Costs.

Per 2 CFR § 200.322, you should preference goods, products, and materials produced in the United States purchased or acquired under a federal award. If NEH funds your project, you

must include the requirements of this section in all subawards, contracts, and purchase orders for work or products.

List each item of equipment you plan to purchase and its estimated cost, including shipping and maintenance. Include supporting information, such as a price quote, in your budget justification.

The form has space for ten items. If you request funds for additional equipment, list them in a separate document. Save the document as a PDF named additionalequipment.pdf and attach it under "Additional Equipment." Enter the total funds for the additional equipment in the "Total funds requested for all equipment listed in the attached file" field.

The form will calculate total equipment costs.

D. Travel

Enter the total funds you are requesting for both domestic travel (local and long-distance) and foreign travel (including travel to Canada and Mexico). Detail costs for each trip in your budget justification. **If you make non-refundable travel arrangements, it is at your own risk. You cannot charge cancelled travel to your award.**

Travel costs must comply with 2 CFR § 200.475 and the General Terms and Conditions for Awards to Organizations. NEH uses the General Services Administration's published per diem rates to assess if proposed travel costs are reasonable.

You may not use NEH funds to attend regularly occurring professional meetings unless the purpose of attending is to disseminate project-related findings.

Include travel costs for participants in E3 and travel costs for consultants in F3.

The form will calculate total travel costs.

E. Participant/Trainee Support Costs

Participants are the beneficiaries, not the providers, of a service or training opportunity (such as a workshop, conference, seminar, or symposium) funded by a federal award.

2 CFR § 200.1 defines participant support costs as direct costs for expenses such as stipends, travel allowances, subsistence allowances, and registration fees paid to or on behalf of participants (but not employees) in connection with conferences or training projects.

2 CFR § 200.432 defines a conference as a meeting, retreat, seminar, symposium, workshop, or event, the primary purpose of which is the dissemination of technical information beyond the non-federal entity, and which is necessary and reasonable for successful performance under the federal award.

Include supporting information in your budget justification. **If you or your participants make nonrefundable travel arrangements, it is at your own risk. You cannot charge cancelled travel to your award.**

If you claim indirect costs, exclude participant support costs from the MTDC base. The form will calculate total participant support costs.

1. Tuition/Fees/Health Insurance

Leave this field blank.

2. Stipends

Enter the requested funds for participant stipends.

3. Travel

Enter the requested funds for participant travel. In your budget justification, name the travelers (if known) and itemize their travel expenses (e.g., roundtrip airfare, mileage, public transportation fares, parking fees).

4. Subsistence

Enter the requested funds for participant subsistence (e.g., lodging and service charges; meals, including taxes and tips; and incidental expenses).

5. Other

Describe other participant support costs (e.g., local ground transportation to venues, admission fees) and enter the requested funds. Provide additional information in your budget justification.

Number of Participants/Trainees

Enter the number of participants. This field cannot exceed 999.

F. Other Direct Costs

The form will calculate total other direct costs.

1. Materials and Supplies

2. Publication Costs

Enter the requested funds for publication costs, including the costs of documenting, preparing, publishing, or otherwise making available to others the findings and products of the work conducted under the award. Include supporting information in your budget justification.

3. Consultant Services

Enter the requested funds for consultant services. If your project includes an external advisory committee, include associated costs here.

Consultant fees must comply with 2 CFR § 200.459.

4. Automated Data Processing (ADP)/Computer Services

Enter the requested funds for ADP/computer services, including computer-based retrieval of scientific, technical, and education information. Include personal computers and accessories under Materials and Supplies. If a third party will provide these services, include them in Subawards/Consortium/Contractual Costs.

5. Subawards/Consortium/Contractual Costs

Enter the total funds you are requesting (both direct and indirect costs) for activities third parties will perform.

Per 2 CFR §§ 200.1 and .331(a), a subaward is an award you issue to a subrecipient to carry out part of your federal award. Subawards do not include payments to contractors (as defined in 2 CFR §§ 200.1 and .331(b)) or payments to individuals who are beneficiaries of federal programs.

You may provide a subaward through any form of legal agreement, including an agreement you consider a contract. The substance of the relationship between a passthrough entity and a third party is more important than the form of the agreement when determining if the third-party functions as subrecipient or contractor. See 2 CFR § 200.331(c).

NEH may request additional information to assess if proposed costs are reasonable and allowable. See 2 CFR §§ 200.331 and .332.

If your budget includes subawards, you must submit a separate Research and Related budget and budget justification for each subrecipient. See Attachment 9: Subrecipient Budget(s).

If a subrecipient claims indirect costs, include its federally negotiated indirect cost rate agreement in Attachment 10: Federally negotiated indirect cost rate agreement. You do not have to include an agreement for any subrecipient that requests the 10% de minimis rate.

See F2. Administrative and National Policy Requirements for additional information on monitoring subrecipients' performance. Learn more about managing subawards.

6. Equipment or Facility Rental/User Fees

Enter the requested funds for rental fees for equipment and facilities.

If you will use your own equipment and facilities, you may charge depreciation in compliance with 2 CFR § 200.436. Alternatively, if you will use equipment you purchased with federal funds under another award, you may charge user fees consistent with 2 CFR § 200.313(c)(2). You may not charge both depreciation and user fees.

If you will host a conference, you may rent facilities per 2 CFR § 200.432. If you rent facilities under a "less-than-arm's-length" lease, you must comply with 2 CFR § 200.465(c).

Federally funded meetings and conferences must take place in properties that comply with the Hotel and Motel Fire Safety Act of 1990 (Pub. L. 101-391). Consult the U.S. Fire Administration's National Master List for fire code compliant hotels.

7. Alterations and Renovations

Leave this line blank. Per 2 CFR § 200.462, costs you incur for ordinary and normal rearrangement and alteration of facilities are allowable as indirect costs.

8-10. Other

List items you have not included in other previous categories or in the indirect cost pool. "Other" project-specific costs may include fees for promotion, acquisition, rights, evaluation and assessment, and accessibility accommodations (e.g., audio description, sign-language interpretation, closed or open captioning, large-print brochures/labeling). "Miscellaneous" and "contingency" are not acceptable budget categories.

Per 2 CFR § 200.432, allowable conference costs include speakers' fees, costs of meals and refreshments, and other incidental items. You must exercise discretion and judgment to ensure that costs are appropriate, necessary, and managed in a manner that minimizes costs to the award.

Food is only allowable when vendors are unavailable during the scheduled program. You may not use federal funds for meals or refreshments at receptions or networking events. If participants receive complimentary meals or refreshments during meetings, conferences, training, or other events while on NEH-supported travel, you must reduce the per diem you charge to the award. Per 2 CFR § 200.423, you may not use federal funds for alcoholic beverages.

G. Total Direct Costs

The form will calculate total direct costs.

H. Indirect Costs

Indirect costs are costs your institution incurs for common or joint objectives and that you cannot readily identify with a specific project or activity. Indirect costs include such expenses as the depreciation on buildings, equipment, and capital improvements; operations and maintenance expenses; accounting and legal services; and salaries of executive officers.

You do not have to claim indirect costs, but if you do, calculate the amount you may request by multiplying the applicable indirect cost rate by the distribution base, which is typically the project's modified total direct costs (MTDC).

Per 2 CFR § 200.1, MTDC are direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and up to the first $25,000 of each subaward (regardless of the period of performance of the subaward). **MTDC exclude equipment, capital expenditures, rental costs, tuition remission, scholarships and fellowships, participant support costs, and the portion of each subaward over $25,000.**

Review your institution's negotiated indirect cost rate(s) to ensure you are using the most appropriate rate for your project. Many institutions of higher education negotiate multiple rates, such as "research," "instruction," and "other sponsored activities." An institution's "research" rate is not the appropriate rate for inclusion in NEH project budgets, except in rare cases, since it is reserved for projects involving scientific research, not scholarly inquiry of the type most often supported by NEH.

Except as provided in 2 CFR § 200.414(c)(1), NEH must use the negotiated rate(s) in effect at the time it issues your award and will not adjust the rate(s) throughout the life of your award. NEH will not adjust your award amount due to changes to your negotiated rates.

If an educational institution does not have a negotiated rate with the federal government when NEH issues an award (because it is a new recipient or the parties cannot reach agreement on a rate), but has a provisional rate, NEH must use the provisional rate until a final cost is negotiated and approved by the cognizant agency, except as provided in 2 CFR § 200.414. If the recipient fails to negotiate an indirect cost rate applicable to the period of performance within the period of performance, NEH may disallow indirect costs.

If your organization does not have a federally negotiated indirect cost rate, you may:

- submit an indirect cost proposal to your cognizant federal agency to negotiate a rate within three months of your award's period of performance start date; or
- charge a de minimis rate of 10% applicable to MTDC (see 2 CFR § 200.414(f))

If you choose one of these options, indicate this under Indirect Cost Type. If you do not choose either of the above options, you may only charge costs that are allocable, allowable, and reasonable to the award.

Include a copy of your federally negotiated indirect cost rate agreement, along with subrecipient agreements, as Attachment 10: Federally negotiated indirect cost rate agreement, if applicable.

Reference NEH's General Guidance on Calculating Indirect Costs for more information.

If NEH is your cognizant agency, reference Guidance for Negotiating an Indirect Cost Rate Agreement with NEH.

Indirect Cost Type
Enter the type of indirect cost rate (e.g., "other sponsored activities," "all programs," "instruction," "10% de minimis") and base (e.g., "MTDC," "salaries," "salaries & fringe") and whether the activity and rate are on- or off-site. If your budget includes more than one indirect cost rate or base, list them as separate entries (i.e., if your project includes activities that occur both on and off campus). If you do not have a current indirect rate agreement, but intend to negotiate one, write "None-will negotiate" and provide additional detail in your budget justification.

Indirect Cost Rate (%)
Enter the most recent indirect cost rate(s) established with your cognizant federal agency (or the 10% de minimis rate) as a number without special characters (i.e., 32.5).

Indirect Cost Base ($)
Enter the base for each indirect cost type. Describe any exclusions in your budget justification. If applicable, refer to your federally negotiated indirect cost rate agreement to determine how to calculate the indirect cost base.

Funds Requested ($)
Enter the requested funds for each indirect cost type.

Total Indirect Costs
The form will calculate total indirect costs.

Cognizant Federal Agency
Enter the name of your cognizant federal agency and a point of contact, if applicable.

I. Total Direct and Indirect Costs
The form will calculate total project costs. Total project costs should not exceed the levels stipulated in B2.

J. Fee

Leave this field blank.

K. Total Costs and Fee

The form will calculate this field, which will be the same amount as [I. Total Direct and Indirect Costs](#).

L. Budget Justification

You must provide a budget justification to support your project. Specifically describe how each item supports your proposed objectives, detail how you calculated all costs, and provide supporting documentation. Organize your budget justification using the section headings on the Research and Related Budget.

If you provide voluntary cost share, you may describe it in the budget justification to contextualize the project. Do not include voluntary cost share on the Research and Related Budget form.

If you request federal matching funds, identify which activities your required cost share supports, and the expected source(s) of funding. Refer to the [NEH Federal Matching Funds Guidelines](#) to learn about which third-party, non-federal gifts you can use for matching purposes.

Your requested federal matching funds and required cost share should correspond with the amounts on the [Supplementary Cover Sheet for NEH Grant Programs](#) in the "Federal Matching" and "Cost Sharing" fields, respectively.

Save the document as a PDF named justification.pdf. Attach only one file to the Research and Related Budget form. Do not use your budget justification to expand your narrative.

A. Senior/Key Person: Budget Justification

Detail the salary and wages you will pay to each Senior/Key Person. Provide their names and briefly describe their roles in and suitability to the project. Identify the fringe benefit rate and explain the base for each person. If your organization follows an academic calendar, explain any differences in compensation between academic and summer months.

B. Other Personnel: Budget Justification

List names (if known), roles, months, and requested salary and fringe benefits for other personnel, including post-doctoral associates, graduate students, undergraduate students, and administrative/clerical personnel.

If your budget includes administrative/clerical personnel, describe how they meet the [four conditions](#) for inclusion as a direct cost.

C. Equipment Description: Budget Justification

Detail the number and unit cost for each item and explain how you determined these figures. Provide vendor quotes or price lists, if applicable.

D. Travel: Budget Justification

For each trip, provide the name of the key personnel or employee(s) (if known), explain the purpose of the trip, and specify the points of origin and destination. Break out the costs of

transportation, lodging, per diem, and any other associated expenses. Explain how you determined these figures. You must justify each trip separately, except for recurring local trips, which you may group together.

For local travel, include the mileage rate, number of miles, reason for travel, and staff members completing the travel. For long-distance travel, calculate per diem amounts for meals and lodging consistent with written institutional policy. You must use the lowest available commercial fares for coach or equivalent accommodations. **If you make nonrefundable travel arrangements, it is at your own risk. You cannot charge cancelled travel to your award.**

E. Participant/Trainee Support Costs: Budget Justification

Describe how you calculated participant stipends, travel, subsistence, and other costs. If possible, detail participant travel costs using the instructions above.

F. Other Direct Costs: Budget Justification

1. Materials and Supplies
Indicate general categories (e.g., personal computers, digital cameras, archival supplies). Provide a total for each category. Itemize categories totaling $1,000 or more and provide vendor quotes or price lists, if applicable.

2. Publication Costs
Indicate print runs and justify costs, including vendor quotes, if applicable.

3. Consultant Services
Identify each consultant, describe the services they will perform, specify the amount of time they will devote to the project across the period of performance, outline travel costs, and provide total costs. If applicable, include consultants' proposals.

4. Automated Data Processing (ADP)/Computer Services
Itemize the cost for each service and include established service rates, if applicable.

5. Subawards/Consortium/Contractual Costs
List the costs of project activities to be undertaken by third parties. Identify each third party by name, describe its role in the project, the activities it will carry out, and the associated costs. For each entry, designate the third party as either a subrecipient (who receives a subaward) or a contractor (who receives a contract).

For each contractor, itemize costs using the same categories as the Research and Related Budget and provide relevant supporting documents.

You will submit a Research and Related budget and budget justification for each subrecipient, which you will include in Attachment 9: Subrecipient budget(s).

6. Equipment or Facility Rental/User Fees
Identify and justify each rental fee. Provide relevant supporting documentation.

7. Alterations and Renovations
Leave this blank. Per 2 CFR § 200.462, costs incurred for ordinary and normal rearrangement and alteration of facilities are allowable as indirect costs.

8. Other Costs
Itemize, describe, and justify any other direct costs. Include supporting documentation. "Miscellaneous" and "contingency" are not acceptable budget categories.

H. Indirect Costs: Budget Justification

If you include indirect costs in your project budget, identify the rate(s), explain the base(s), and describe any exclusions.

Attachments Form (Grants.gov form)

You will upload your [Attachments](#) to Grants.gov using this form. The form accommodates up to fifteen attachments. **Attachments must be in Portable Document Format (.pdf).** Convert all non-PDF files (i.e., Word, Excel, images) to PDFs. If an attachment contains multiple documents, merge them into a single file, not a PDF portfolio. Be aware that, occasionally, converting a document to PDF may alter its size. Do not attach files that have been password-protected, encrypted, or digitally signed. You must remove all such security features before attaching your files. Failure to do so may result in your application being rejected.

Do not attach portfolios containing multiple PDFs.

Consult the [Application Components Table](#) to name and sequence your attachments so that NEH can easily identify them. Grants.gov may reject your application if:

- file names exceed 50 characters
- multiple files have the same name
- file names include characters other than the following: A-Z, a-z, 0-9, underscore, hyphen, space, period, parentheses, curly braces, square brackets, ampersand, tilde, exclamation point, comma, semicolon, apostrophe, at sign, number sign, dollar sign, percent sign, plus sign, and equal sign

Grants.gov may accept and validate your application even if you are missing required components or have formatted them incorrectly. You must ensure that you have formatted, attached, and submitted all required components correctly. If you have not, NEH may reject your application as incomplete or nonresponsive.

Learn about [Adobe software compatibility with Grants.gov](#) and ensure that you can use your version of Adobe Acrobat Reader to download, complete, and submit your application.

Certification Regarding Lobbying (required for recipients)

If you request more than $100,000, you must submit the Certification Regarding Lobbying before NEH issues your award. Add this form to your application package in Grants.gov and it will autofill based upon information provided on the [SF-424 Application for Federal Assistance - Short Organizational](#).

Standard Form-LLL, "Disclosure of Lobbying Activities" (required for recipients)

If you have or will use non-federal funds for lobbying, you must submit Standard Form-LLL, "Disclosure of Lobbying Activities" before NEH issues your award. Add this form to your application package in Grants.gov. See [2 CFR § 200.450](#).

3. Unique Entity Identifier and System for Award Management

Before applying, your organization must register with the [System for Award Management (SAM)](#) and [Grants.gov](#). [Learn more about this multistep process](#).

NEH encourages organizations with SAM registrations to check the validation of their UEI well in advance of the deadline to ensure that they are accurate, current, and active. If your SAM registration is not active and current at the time of Grants.gov submission, NEH will reject your application.

Allow several weeks to register with SAM and Grants.gov. NEH will not waive the online submission requirement or extend the application deadline to allow additional time for you to complete registration with SAM or Grants.gov.

Login.gov

If you have not already done so, you must create a [Login.gov](#) user account to register and log in to SAM and Grants.gov. Login.gov is a secure sign-in service used by the public to sign in to participating government agencies. [Create and link your account now.](#)

System for Award Management (SAM)

Your organization must register with the [System for Award Management (SAM)](#) and maintain an active SAM registration with current information while you have an active federal award or a pending application with a federal agency. See [2 CFR § 25.110](#) for exceptions. SAM will assign your organization a [Unique Entity Identifier](#).

When registering or renewing in SAM, the system will prompt you to review and agree to financial assistance certifications and representations, as required by [2 CFR § 200.209](#).

If your SAM registration is not active and current at the time an award is made, NEH may determine that you are not qualified to receive an award and use that determination as a basis for making an award to another applicant.

[Check the status of your SAM.gov registration](#).

Contact the [Federal Service Desk](#) if you have questions.

Grants.gov

You must register with [Grants.gov](#) using your Login.gov credentials before applying. You must submit your application using [Grants.gov Workspace](#) or a Grants.gov system-to-system solution. Workspace is a shared, online environment where team members may simultaneously access and edit forms within a grant application.

After you register and create an [Organizational Applicant Profile](#), Grants.gov will email your E-Business Point of Contact to assign the appropriate roles to individuals within your organization. This includes the authorized organization representative (AOR), who will give you permission to complete and submit applications on behalf of your organization.

If you have previously registered with Grants.gov, confirm that your registration is still active and that your AOR is current.

Contact Grants.gov Applicant Support or consult the Grants.gov Online User Guide and its library of instructional videos if you have questions.

4. Submission Dates and Times

Drafts
Program officers will review draft application materials submitted by April 9, 2024, at 11:59 p.m. Eastern Time. Program officers will not review late drafts.

This optional review is not part of the formal selection process and has no bearing on the final funding decision. However, previous applicants have found it useful to strengthen their applications. If you choose to submit a draft, send it as an attachment to preservation@neh.gov.

Applications
The deadline for applications under this notice is May 28, 2024, at 11:59 p.m. Eastern Time.

Applications must be complete, comply with length and formatting requirements, and be validated by Grants.gov under the correct funding opportunity prior to the deadline to be considered under this notice. See the late submission policy for the limited situations when NEH might accept an application submitted after the deadline.

It is your responsibility to confirm that Grants.gov and subsequently NEH have received your application. Check your Grants.gov application status. eGMS, NEH's online grant management system, will send you an automatically generated email upon receipt of your proposal.

When NEH receives your application, the agency will assign it a tracking number beginning with PE-. A tracking number does not guarantee that your application is free of technical problems (such as missing attachments or failure to convert attachments to PDFs). If your files are not correctly formatted, eGMS will reject your application and notify you by email. eGMS cannot detect errors such as missing components or excess pages.

NEH recommends you submit your application at least 48 hours prior to the deadline so you have time to correct technical errors eGMS identified or you discover. It is your responsibility to correct errors prior to the deadline.

NEH will not comment on the status of your application except regarding matters of eligibility, completeness, and responsiveness.

5. Intergovernmental Review

This funding opportunity is not subject to intergovernmental review under Executive Order 12372.

6. Funding Restrictions

- projects intended primarily for audiences within a single institution or organization (museums, libraries, and archives that seek support to send their staff to preservation workshops should apply to [Preservation Assistance Grants for Smaller Institutions](#))
- projects on the care and management of collections that are the responsibility of an agency of the federal government or are not regularly accessible for research, education, or public programming
- projects about the preservation of buildings or the natural environment
- projects primarily pursuing research in the development of preservation standards or best practices (applicants seeking support to conduct this sort of research should apply to the [Research and Development](#) program)
- tuition remission
- programs intended for K-12 audiences
- costs for activities performed by federal entities or personnel
- promotion of a particular political, religious, or ideological point of view
- advocacy of a particular program of social or political action
- support of specific public policies or legislation
- lobbying
- projects that fall outside of the humanities; the creation or performance of art; creative writing, autobiographies, memoirs, and creative nonfiction; policy studies; and social science research that does not address humanistic questions and/or utilize humanistic methods

Applications including unallowable costs or activities may be judged nonresponsive and returned without review.

See [2 CFR 200 Subpart E - Cost Principles](#) for other unallowable costs.

E. Application Review Information

1. Review Criteria

Peer reviewers will use the following criteria to review applications under this notice:

1) The **national, regional, or statewide impact** of the proposed activities for improving the ability of practitioners to preserve and provide access to humanities collections, along with the significance of the humanities collections that would be served. (aligns with the narrative section "[Project impact and the significance of the humanities collections to be served](#)")
2) The **soundness of the methodology** and the program's structure and activities. (aligns with the narrative section "[Methodology and work plan](#)")
3) The **proposed plans for reaching, recruiting, and selecting participants** for educational activities. (aligns with the narrative section "[Participant recruitment and outreach](#)")
4) The **proposed plans to evaluate project activities and outcomes** in relation to anticipated project impact. For previous award recipients, how effectively the applicant has used past experiences to inform its project. (aligns with the narrative section "[Evaluation](#)")
5) The **training and experience of the staff** in relation to the activities for which support is requested. The capabilities of the applicant organization and the quality and

availability of facilities and personnel to fulfill the needs and requirements of the proposed project. (aligns with the narrative section "Staff, faculty, and consultants")

6) The **reasonableness of the project's budget** in relation to the objectives and anticipated results. The extent to which costs, as outlined in the budget, are reasonable given the scope of work. The extent to which key personnel will devote an adequate amount of time to the project to achieve project objectives. (aligns with the narrative sections "Methodology and work plan" and "Staff, faculty, and consultants," and the Research and Related Budget)

2. Review and Selection Process

NEH staff review all applications for eligibility, completeness, and responsiveness. The agency then conducts a peer review process for all applications that pass this initial screening.

Peer reviewers are experts in their fields with knowledge and expertise relevant to the activities that the program supports. NEH instructs peer reviewers to evaluate applications according to the review criteria in this notice. Peer reviewers must comply with federal ethics rules governing conflicts of interest.

NEH program officers supplement the peer reviewers' comments to address matters of fact or significant points that the peer reviewers have overlooked. They then make funding recommendations to the National Council on the Humanities. The National Council meets at least twice each year to review applications and advise the NEH Chair. By law, the Chair has the sole authority to make final funding decisions.

Following NEH's public announcement of funded projects, you may request copies of the peer reviewers' evaluations of your proposal by contacting preservation@neh.gov.

Learn more about the NEH review process.

Apply to be a peer reviewer for NEH.

3. Assessment of Risk and Other Pre-Award Activities

Following the Chair's initial selection of applications for support, the NEH Office of Grant Management (OGM) conducts a risk assessment for selected applications. OGM will consider the applicant's past performance, if applicable; analyze the project budget; assess the applicant's management systems; confirm the applicant's continued eligibility; and evaluate compliance with public policy requirements. This assessment guards against the risk that federal financial assistance might be wasted, used fraudulently, or abused.

NEH will consider information about your organization that is in the Responsibility/Qualification data bank in SAM.gov (formerly Federal Awardee Performance and Integrity Information System (FAPIIS)). This database records the integrity and performance of entities applying for federal funding. NEH will review the Responsibility/Qualification database when assessing your organization's integrity, business ethics, and record of performance under federal awards, as described in 2 CFR § 200.206. You may comment on information provided by federal awarding agencies about your organization. Per 2 CFR § 200.213, NEH will report determinations that your organization is not qualified to SAM.gov.

OGM may request that you submit additional programmatic or administrative information (such as an updated budget or supporting documentation) or undertake certain activities (such

as negotiating an indirect cost rate) in anticipation of an award. Such requests do not guarantee that NEH will make an award.

After completing its risk assessment, NEH will determine whether making an award would be consistent with the agency's risk management policy, whether it must impose any special terms and conditions, and what funding level is appropriate. NEH may elect not to issue awards to applicants with management or financial instability that affects their ability to comply with the terms and conditions of the award (2 CFR § 200.206).

Award decisions are discretionary and are not appealable to any federal official or board.

4. Anticipated Announcement and Award Dates

NEH will notify you of funding decisions by email in December 2024. This is not an authorization to begin performance or incur related costs.

F. Federal Award Administration Information

1. Federal Award Notices

If NEH selects your application for an award, the NEH Office of Grant Management will send award documents to the institutional grant administrator and project director through eGMS Reach beginning in January 2025.

Learn more about managing an NEH award.

2. Administrative and National Policy Requirements

Each award is subject to 2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, the General Terms and Conditions for Awards to Organizations (for grants and cooperative agreements issued January 1, 2022 or later), and any specific terms and conditions that NEH places on the award in the Notice of Action.

Debarment, suspension, ineligibility, and voluntary exclusion certification

By applying, you certify that neither your institution nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

You must comply with 2 CFR §§ 180.335 and .350 with respect to providing information regarding all debarment, suspension, and related offenses information, as applicable.

If you cannot attest to the statements in this certification, explain why not in Attachment 11: Explanation of delinquent federal debt.

Providing access to NEH-funded products

NEH strives to make the products of its awards available to the broadest possible audience by providing ready and easy access to its grant products to scholars, educators, students, and the American public. All other considerations being equal, NEH gives preference to projects that provide free access to the public.

You must comply with [Section 504 of the Rehabilitation Act of 1973](#), which prohibits discrimination on the basis of disability in any program or activity receiving federal financial assistance. Consult *[Design for Accessibility: A Cultural Administrator's Handbook](#)*.

Copyright information

Subject to applicable law, you may copyright work that you develop or acquire under an award. In accordance with [2 CFR § 200.315(b)](#), NEH reserves a royalty-free, nonexclusive, and irrevocable right to reproduce, publish, or otherwise use the work for federal purposes, and to authorize others to do so. NEH has typically exercised this right in consultation with recipients to publish excerpts of grant products in *[Humanities](#)* magazine or on its website.

Protecting Personal Information

If you collect personal information as part of your NEH-funded award, you are responsible for protecting sensitive and confidential data. You must take all reasonable and appropriate actions to prevent the inadvertent disclosure, release, or loss of personal information.

Acknowledging NEH support

Materials publicizing or products resulting from NEH-funded activities must contain an acknowledgment of NEH support. Consult [Acknowledgment and Publicity Requirements for NEH Awards](#) and [Publicizing Your Project](#) for guidance.

Subrecipient monitoring requirements

Per [2 CFR § 25.300](#), you may only issue subawards with federal funds to organizations that have obtained and provided their Unique Entity Identifier. Subrecipients are not required to complete registration with the [System for Award Management (SAM)](#) to obtain a Unique Entity Identifier. See [D3. Unique Entity Identifier and System for Award Management](#).

You must monitor your subrecipients to ensure that they use their subawards for authorized purposes; comply with federal statutes, legislative requirements, regulations, and the terms and conditions of the subaward; and achieve their performance goals. You must ensure that your subrecipients track, appropriately use, and report program income generated by the subaward. See [2 CFR § 200.332](#) for information that you must include in subaward agreements.

[Learn more about managing subawards](#).

Program income

If your NEH-supported activities generate income during the period of performance, you must use it for additional approved project-related activities. See [2 CFR § 200.307](#) for income that you generate after the period of performance.

Eliminate waste, fraud, and abuse

Help NEH eliminate fraud and improve management by reporting allegations or suspicions of waste, fraud, abuse, mismanagement, research misconduct (fabrication, falsification, plagiarism), or unnecessary government expenditures to the [NEH Office of the Inspector General](#).

Termination

NEH reserves the right to terminate awards consistent with [2 CFR § 200.340](#).

3. Reporting

If you receive an award, you must complete required reports in eGMS Reach, the NEH online grant management system, unless otherwise instructed. NEH will provide further information in the Notice of Action.

1. **Federal Financial Report(s)**. You must submit the Federal Financial Report (SF-425) annually.

2. **Performance Progress Report(s)**. You must submit a performance progress report annually. The "Goals & Progress" section asks for a summary of your goals; a description of what you have achieved; and, if relevant, what tasks remain to complete the project. This section must align with the outcomes and outputs you identify in your application. When you complete the report, or at any time during or after the period of performance, you may also add the project results using the Products and Prizes tab in eGMS Reach.

3. **Final Reports**. You must submit a final Federal Financial Report (SF-425) and a final performance report within 120 calendar days after the period of performance ends. The final performance report collects information relevant to progress on program-specific goals; impact of the overall project; the degree to which you achieved the mission, goals, and strategies outlined in the approved application; your objectives and accomplishments; barriers encountered; and your overall experiences during the period of performance.

H. Other Information

Related funding opportunities

Projects primarily pursuing research in the development of preservation standards or best practices should apply to [Research and Development](#).

Projects not intended to develop or implement a training program, but rather to host or attend a training for the educational benefit of the applicant and applicant staff should apply to [Preservation Assistance Grants for Smaller Institutions](#).

You may also find related funding opportunities with your state or jurisdictional humanities council. As mandated by Congress, approximately 40% of the NEH's program budget supports these councils, which play a critical role in supporting the NEH's mission and goals at a local, grassroots level. Contact information for each council can be found here: https://www.neh.gov/about/state-humanities-councils.

Privacy policy

NEH solicits the information in this Notice of Funding Opportunity under the authority of the National Foundation on the Arts and Humanities Act of 1965, as amended, [20 U.S.C. 951, *et seq*](#). Disclosure of the information is voluntary. The principal purpose for which NEH will use the information is to process the application, which may include determining eligibility, evaluating the application, selecting recipients, and administering the award program. Panelists and other third parties may assist in the evaluation of applications, in which case NEH will take appropriate security measures with respect to the information provided to such individuals for review. NEH may also use or disclose the information it collects as required by law and for governmental purposes such as statistical research, analysis of trends, Congressional oversight, and the other routine uses set forth in the systems of records notice ("SORN") published by NEH in the Federal Register. NEH ordinarily will not publicly disclose the contents of applications that NEH does not select for funding, except as set forth in the SORN. Failure to provide the information solicited in this Notice may result in rejection of the application.

Application completion time

The Office of Management and Budget requires federal agencies to supply information on the time needed to complete forms and also to invite comments on the paperwork burden. NEH estimates that on average it takes sixty hours to complete an application. This estimate includes time for reviewing instructions; researching, gathering, and maintaining the information needed; and completing and reviewing the application. Time needed may vary from program to program.

You may send any comments regarding the estimated completion time or any other aspect of this application, including suggestions for reducing the completion time, to the Chief Funding Opportunity Officer at grantmanagement@neh.gov. According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB number. The OMB Control Number for this Notice of Funding Opportunity is 3136-0134, expiration date October 31, 2024.
